A chapter still true to Tiersen's nuanced and subtle approach but one that sets out with his most overtly electronic material to date. 'It's the same experiment looking through a microscope as it is a telescope.' Named after a chapel in a small village on the island of Ushant, Kerber marks a new chapter in Tiersen's career. Classical Crossover, Modern, New Age. Thisbeautiful book of new music by the critically-acclaimed composer Yann Tiersen illustrates the journey with full-colour photography by his fiancée Emilie Quinquis and personal notes to accompany the music.Eusa is a musical map of Tiersen's home an aural exploration of a place as well as a representation of space in sound.
